*1954 Appointments

THE STATE OF NEW HAMPSHIRE

To the Inhabitants of the Town of Warner in the County of Merrimack in said State, qualified to vote in Town Affairs:

You are hereby notified to meet at the Town Hall in said Warner on Tuesday, the ninth day of March, next at nine of the clock in the forenoon, to act upon the following subjects:

1. To choose all necessary Town Officers for the year ensuing.
2. To raise such sums of money as may be necessary to defray town charges for the ensuing year and make appropriations of the same.
3. To see if the Town will vote to raise and appropriate the sum of One Hundred (100) Dollars for the Dartmouth-Lake Sunapee Region Association for the purpose of promoting and publicizing the natural advantages of the Town, together with other towns in the region.
4. To see if the Town will vote to raise and appropriate the sum of Four Hundred (400) Dollars for Pine Blister Rust control in the Town in co-operation with the State Forestry Department.
5. To see if the Town will vote to raise and appropriate the sum of Nine Hundred Sixty (960) Dollars towards payment of the Concord Hospital deficit.
6. To see if the Town will vote to raise and appropriate the sum of Twenty-two Hundred (2200) Dollars for the re-oiling of highways.
7. To see if the Town will vote to raise and appropriate the sum of Eight Hundred (800) Dollars for the oiling of

Depot Street between the Boston & Maine Railroad Station and Mill Street.

8. On petition of Margaret Wachsmuth and fifteen other voters, to see if the Town will vote to raise and appropriate a sum of money not to exceed Ten Thousand (10,000) Dollars to purchase and install a new boiler and burner for the Town Hall; the sum of Two Thousand (2,000) Dollars to be raised in 1954; and the selectmen and town treasurer authorized to borrow the remaining \$8,000. on the note, or notes, of the Town, said remaining \$8,000. to be spread equally over a period of four years ending in 1958.

9. To see if the Town will vote to raise and appropriate the sum of Five Hundred (500) Dollars to complete the interior of the New Town Garage and to purchase and install heating equipment.

10. To see if the Town will vote to raise and appropriate the sum of Three Hundred (300) Dollars for the completion of sidewalk on the north side of Main Street to extend at intervals for approximately four hundred feet from Edward Hartz driveway to the junction of Main and Kearsarge Streets; said appropriation to be conditioned upon a similar appropriation by the Warner Village Fire District.

11. To see if the Town will vote to adopt the NON-PARTISAN BALLOT SYSTEM as provided in sections 112 to 120 of chapter 34 of the Revised Laws of this State.

12. To see if the Town will vote to raise and appropriate the sum of Four Hundred (400) Dollars to be matched by an equal sum from state and federal sources for the purchase of two-way radio equipment for the local Civil Defense Organization.

13. To see if the Town will authorize the selectmen and town treasurer to borrow money in the anticipa-

tion of taxes on the note, or notes, of the Town, payable on or before December 31, 1954.

14. To see if the Town will authorize the selectmen to sell property taken for taxes.

15. To see if the Town will vote to authorize BEANO for the ensuing year.

16. To hear reports of the officers of the Town heretofore chosen and committees appointed and pass any vote relating thereto.

17. To transact any other business that may legally come before said meeting.

Given under our hands and seal, this 20th day of February, in the year of our Lord nineteen hundred and fifty-four.

GEORGE H. HARMON,
EDWARD T. LATTING,
WINFRED J. CHASE,

Selectmen of Warner

A true copy of Warrant—Attest:

GEORGE H. HARMON,
EDWARD T. LATTING,
WINFRED J. CHASE,

Selectmen of Warner

REPORT OF THE BOARD OF SELECTMEN

To Taxpayers and Other Residents:

A progressive and farsighted community demands a reasonable return for the taxes assessed and is entitled to know how tax moneys are expended.

Frequently in a general financial report the earnings of a department, refunds, and legitimate but divergent expenditures are not readily understood. A case in point is the published expenditures of \$16,656.15 for the summer and winter maintenance of your highways. When we consider that this department's earnings and rental of equipment is \$587.55, gasoline tax refund from the state amounts to \$265.35, and the item of insurance is \$690.20, the actual tax-supported cost of highway maintenance becomes \$15,113.05. Not included in these deductions is \$450. received from the sale of old equipment. The repairing of the Mill Street bridge, which cost \$531.05 (Steel and welding \$350.77; planking \$104.48; additional and overtime labor \$75.80), is included in the cost of highway maintenance.

You will probably agree that next to its school system the average town is judged by its highways and public buildings. Our citizens evidently are aware of this fact and have responded generously to the improvement of the town hall, both by tax appropriations and by individual and group contributions of money, materials and labor. Through the leadership of the Warner Woman's Club your town hall stage has been repainted, refloored, and equipped with new curtains and drops. This improvement represents a money expenditure of \$1,220.36, including \$600. from the town, \$100. from the schools, \$50. from the Planning & Development Association, and numerous group and individual contributions. Without the contributions of material and labor the cost would have approached at least two thousand dollars.

We are indebted to Mr. Stearns, the former road agent, for the original plan of the new garage which is larger and more conveniently located than the building destroyed by fire. State highway engineers and several of your local builders assisted in designing the roof construction. The walls are cement block reinforced by steel web; the roof of wood and double-coverage paper is designed to support a load of forty pounds per square foot. Inside three bays, each 16 by 32 feet, are provided for the necessary storage of highway equipment; a fourth bay of similar dimensions is intended for a workshop and eventually will be enclosed by a partition. Since three hundred and fifty dollars worth of lumber for the partition and cement for the floor is now available, we estimate that a five hundred dollar appropriation will complete the project. Expenditures to date are approximately as follows; excavating and grading \$190.47; building materials \$2,452.43; labor \$2,269.83; insurance \$31.96; trucking, telephone etc. \$15.18. With adequate and safe heating facilities this building should serve the highway department for at least fifty years.

Turning to the coming year, plans have been approved by the state engineers to apply the T.R.A. funds (\$1,055.77 raised by the town and \$7,038.48 contributed by the state) towards the improvement of the Mountain Road beyond Tory Hill. Likewise it is proposed to use our state allotment of Class V highway money to surface and oil — as far as funds permit — the Pumpkin Hill Road beyond the Cold Hearth Cemetery.

It is hoped that soon the dilapidated and useless “tramp-house” located near the town highway sheds may be removed and the grounds in that vicinity made more attractive.

The waterpipes from the Main Street to the Town Hall are so full of rust that the entire building is dependent for its water supply upon a branche line from the school gymnasium. We anticipate that this condition will neces-

sitate the replacing of considerable pipe. Recently the drainage system beneath the basement floor was opened and cleaned. We anticipate that this will prevent any serious flooding of the kitchen and dining room such as experienced in recent years.

The engineers' survey of the Town Hall heating plant, made for your budget committee in 1950 by the New Hampshire Air Conditioning Company of Manchester, indicates that the present boiler lacks by 2339 sq. ft. of steam radiation the necessary capacity to carry the peak load demanded of it. Fortunately the peak load has been seldom required. However, the cost for the past year (\$2-438.73) for highgrade steam coal, costing approximately \$17. a ton, was \$300. more than the rated consumption of the boiler. This is readily understood when we realize that the boiler is being constantly fired to capacity. In other words three hundred dollars worth of coal went up the chimney because the boiler lacked capacity to generate the added steam. The cost of handfiring is also a factor entering into the problem of janitor service. The town is faced with the problem either of wasted fuel and high cost of janitor service, or the financing of more adequate and efficient equipment.

We hope that the various features of the town report have been made clear and comprehensive. If we have failed in this respect, we trust that the report will evoke helpful questions and constructive suggestions.

In connection with the report we would express our appreciation to the State Planning and Development Commission for its assistance and to the Rumford Press for the use of the color plates of the Waterloo Bridge in Warner.

Respectfully submitted,

GEORGE H. HARMON,
EDWARD T. LATTING,
WINFRED J. CHASE,

Selectmen of Warner

SUMMARY OF INVENTORY

Treasurer

**LAND OWNED BY THE TOWN OF WARNER
ACQUIRED BY TAX COLLECTOR'S DEEDS**

Stanley-Moulton Lots:

200 Acres, more or less.

Situate on the easterly side of the old highway leading over Stanley Hill to the Hoyt School House Corner, and on the northerly and easterly side of the highway leading from Hoyt School House Corner to the old John Sanborn House.

Sanborn Heirs Land:

11 Acres, more or less.

Situate on the easterly side of the old road leading from Henniker to the old Sanborn Farm and on the northerly side of the Warner-Henniker Town line.

McAlpine, Nichols & Elliot Lots:

160 Acres, more or less.

Situate in the southerly part of Warner near the Bound Tree, so called, which is the northeasterly corner of the Town of Henniker, and lying on the northerly side of the Warner-Henniker Town line, the westerly side of the highway leading from the Bound Tree to the Charles Currier Farm and on both sides of the old highway leading from the Bound Tree to Kimball Corner.

Smart Lot:

40 Acres, more or less.

Situate on the easterly side of the old highway leading from the Bound Tree, so called, to Kimball Corner.

George A. Dow Intervale Land:

4 Acres, more or less.

Situate in the Dimond Corner section of Warner, near the Warner River.

1 Acre, more or less.

Bordering the northerly shore of Tom Pond.

Sawyer Intervale Land:

7 Acres, more or less, meadow land.

Undivided one-half interest owned by Town, situate in the Dimond Corner section of Warner, on the easterly side of the Warner River.

Edmunds & Harris Meadow Land:

Consisting of three tracts of meadow land, situate on the easterly side of the Tory Hill Road in the so called Tory Hill Meadow area, consisting of 6 2/3 acres, 8 acres and 6 acres, more or less, respectively.

Lots Nos. 2, 5 and 9:

1 Acre each.

Situate on Kearsarge Mountain, in the northwest corner of the "Buntin Lot," so called, as shown on map of the Kearsarge Mountain Road Co., July 1915.

Poverty Plains Lot:

Land on Poverty Plains road, known as Moody lot.

Edward F. Cogswell Lot:

Seventy Acres more or less situated on east side of Tory Hill road.

Emerson Land, Joppa:

113 acres Emerson land situated in Joppa section.

Gould Lot:

Three acres more or less Gum Swamp land situated in southwesterly part of town.

WHITE PINE BLISTER RUST CONTROL

Financial and Progress Statement — Town of Warner 1953

Town funds expended	\$392.55	
Co-operative funds expended	164.94	
	<hr/>	
Total funds expended		\$557.49
Received from town	\$400.00	
Expended from town funds	392.55	
	<hr/>	
Balance due town		\$7.45

In Warner pine areas meeting standards for
 protection cover 11,077 acres
Protection zones surrounding pine areas cover 16,992 acres

Total control areas	28,069 acres
Area covered in 1953	1,363 acres

Currant and Gooseberry bushes destroyed — 607

About 40 percent of the "control area" in Warner is now on maintenance. This means that no further control work will be needed on two-fifths of this area except examinations at 5-10 year intervals chiefly to locate disturbances (caused by logging, fires or wind) resulting in a regrowth of currant and gooseberry bushes from seed stored in the duff. Any menacing growth of such bushes must be destroyed to maintain the protection already established.

CHANDLER RESERVATION FUNDS

Amount on hand January 1, 1953	\$1,950.41

LIBRARIAN'S REPORT

of the Pillsbury Free Library of Warner, N. H.
for the year ending December 31, 1953

*To the Trustees of Pillsbury Free Library
and Citizens of Warner:*

During the past year the Trustees have had walls and ceilings of the library re-painted and the woodwork re-varnished. In the basement a room has been finished to accommodate articles of historic value which have been given to the town. Many records are there as well as a few antiques. It is hoped there will be additions to this collection as people realize we now have a safe place for their keeping.

On August 16 the historical room was first opened to the public. The Institute of World Affairs held a Book Exhibit and the Trustees served refreshments to forty townspeople and guests.

During National Book Week on November 17 the library was open all day and ninety-one pupils and teachers signed the visitors book. The younger children were entertained with stories and a brief history of the library. The older pupils were instructed by their teachers in the use of the library.

An electric fan mounted on a standard has been purchased for use in the main room.

The Trustees are giving consideration to adequate lighting facilities which are much needed in the main room as well as in the historical room.

By recent count there are 7,985 volumes in the library.

Total books loaned during 1953	6,555
New books added	222
Books discarded	92

There are 22 magazines covering a wide variety of subjects at all times available on the reading table.

Donors of books, maps, and materials:

Mrs. N. O. Whitford, Mr. Walter P. Miner, Mrs. Nancy Rogers, Mr. Richard Cogswell, Dr. Arthur I. Andrews, Mr. Lifvergren, Miss Elizabeth Fuller, Rev. Vincent Wayland, Mrs. A. H. Bendixen, Mrs. Warren Cofren, Mrs. Alfred Easton, Mrs. Wm. Brophy, Mrs. J. Karl Mason, Mrs. Henry Wachsmuth.

FOREST FIRE WARDEN'S REPORT

People Play a Vital Part in Our Forest Fire Problems

A review of the 1953 fire season proves the vital part people play in the never ending battle to prevent forest fires.

In this fire district there were 133 fires in 26 of the district's 30 towns; 409 acres were burned over and it cost \$9499.97 to extinguish them. This figure was reduced somewhat through payment of fire costs by persons responsible for illegal fires, fires which escaped from control and fires caused by their carelessness. Costs were abnormally high this year due to protracted periods of dry weather which increased the difficulty of extinguishing fires.

Eighty-eight percent of the 133 fires were man-caused and could have been prevented. They tell a story which needs to be carefully studied. Some people were careless in disposing of smoking material and camp fires; others burned without the required warden permit — disregarding weather, forest conditions and the normal safeguards recognized and considered by the warden in issuing permits. Other fires resulted from children playing with matches, carelessly handled fireworks, faulty railroad and truck equipment, etc.

These fires cost a lot to extinguish, most of which could have been avoided — this affects taxes; local business was interrupted by men leaving their jobs to extinguish the fires; trees that might otherwise have built houses, repaired bridges and supplied raw materials for local industries were destroyed; seedling growth — the future timber crop was wiped out.

This picture can, however, be reversed if people who offend could be impressed with the importance of observing the simple but essential common sense safeguards that will prevent forest fires. They are:

1. Care in disposing of lighted cigars, cigarettes and matches in and near woodlands.

2. Care in selecting camp fire sites and completely extinguishing them.
3. Consultation with the local forest fire warden before burning to secure the required permit.

People play a vital part in our forest fire problem.

It is EVERYONE'S job to HELP PREVENT FOREST FIRES.

THOMAS J. KING,
District Fire Chief

MAURICE F. RANDALL,
Forest Fire Warden

	\$3,300.00
State Share	2,275.00
	\$5,575.00

There have been several teacher changes for the school year. Three high school teachers were replaced. Mr. Richard LaMothe became Principal of Simonds Free High School; Mrs. Marilyn Wilson was the new Home Economics teacher and was replaced at the beginning of the winter term by Mrs. Merle Kincade; Mr. Curtis Hall is the new Social Studies teacher and coach. Mr. Starvvo Chagrasulis is the new Science and Mathematics teacher. This is the first time in at least ten years that we have had a teacher primarily for Mathematics and Science and is a good step forward. Too often the Mathematics and Science was sort of a stepchild of the other courses.

In the elementary school, Miss Lorraine Barrett is the new third grade teacher and Mrs. Ellen Pillsbury returned to us after a stay in Claremont. The fourth and fifth grades were combined with the idea of stressing the fundamentals in those grades and to give Mr. Knight more time to carry on his playground work and his administrative duties.

The two school districts, as you know, were combined by order of the State Board of Education. You will note that in the budget most of the items are separated into high school and elementary expenses so that you will still know about what the costs are for either school as well as the total costs for both schools. In my reports to the state all expenses are broken down so that we can keep a record of the exact costs of High School (9-12) and Elementary Education (1-8). We have to have these figures in order to set up our high school tuition figures. Incidentally, next year the tuition for Simonds will be \$250 which I think is a fair figure for Warner and also for the sending towns.

The Capital Reserve Fund should be continued. It is a good business proposition and will save money in the long run. Neither the grade school or high school is large enough to operate all the classes so we are forced to rent space in the Masonic Building for our shop and first grade.

A very valuable project has arisen as a result of discus-

sion in a Parent-Teacher Meeting. A group of parents and teachers have been working for some time on a revision of the elementary report card. It has been a very healthy situation to get the point of view of the parents as well as the teachers and the progress has been very good. Some time this spring the Committee should have a report which we will see that all parents receive.

When the State Board of Education combined the districts they stipulated that for the first year there must be six members until the next school meeting. Mr. Thomas Henley was appointed by the Board to serve until the Annual Meeting. At that time the new Warner School District will decide how many members they wish to have on the Board. It is my understanding that all the present Board Members intend to resign to allow the district to elect or re-elect as many members as they decide to have on the Board

I wish to thank every one for the cooperation given to me during the past year.

WILLIAM C. STERLING,
Superintendent of Schools
